

MAURY HILLS CHURCH

Bank Draft Program

The Maury Hills Church is now pleased to offer a bank draft program for weekly contributions. The bank draft program will allow you to have your weekly gift or tithe automatically deducted from your bank account. This option will provide you with a simple and convenient way to contribute. It's easier than dealing with checks or cash and you'll have an accurate accounting for tax purposes. Here's how it will work.

1. You authorize a regularly scheduled contribution from your checking account by completing this form and attaching a voided check.
2. Every Monday the church will electronically debit that account for the designated amount. There are no charges for this service.
3. You will be able to change your amount when needed and can cancel the program at any time by providing written confirmation to the church office.
4. The bank draft program is currently offered for weekly contributions only. If you wish to contribute monthly and/or give more than your designated amount, we encourage you to write a traditional check. It is also only offered for the General Fund. Contributions to the Building Fund will need to be made through traditional means.

Please complete the following (remember to sign and attach a voided check):

I hereby authorize the Maury Hills Church of Christ to initiate electronic debit entries to my checking account on Monday of each week in the amount of \$_____. I acknowledge that the origination of ACH transactions to my account must comply with the provisions of U.S. law. This authority will remain in effect until I have cancelled in writing.
